Wilhelmsen

Product group: **176** Product number: **175588**

The hose joints are screw-couplings supplied in sets.

Product information

Each set consists of two hose sockets with nuts for connection to the gas regulator and torch.

Included is also a connection stub for using the set as a hose joint.

Nuts and connection stub for acetylene are lefthand threaded and marked with a groove.

The hose joints are made of high-grade brass.
