

4 Ways To Achieve SUSTAINABLE AND RESPONSIBLE PROCUREMENT

Sustainability has to be a way of life to be a way of business.

At Wilhelmsen Ship Management, we believe working with the right vendors is a way of life to protect the environment for the maritime future.

We are committed to doing business with vendors that can demonstrate that they meet the highest standards of sustainability.

Optimized Buying

Analyse demand and constantly look for opportunities to reduce waste

Choose well

Look for lifetime value over short-term cost in goods and services

Choose vendors wisely

Select vendors that are committed to socially responsible practices

Consider the impact of your actions

Always question your actions "How to minimize the impact to the environment?"

Together, we can make that change
