

Bill of Lading Services in Geneva

Switching Bills of Lading

We are armed with the expertise to issue, cancel, re-issue and exchange Bills of Lading

Owners Representative

We represent you as your witness at the bank, including the nulling and voiding of original Bills of Lading

Enjoy the benefits of having an experienced team

Same Day Delivery

If you have urgent requirements, we will go the extra mile to deliver the documents to you on the same day, either in person or through a trusted courier service.

Dedicated and Experienced Team

With a specialized team trained in handling Bill of Lading services efficiently, we can issue certificates on very short notice, easily saving you up to a week.

Catered to Your Requirements

Flexible to your needs, we provide you with a stress-free experience, whether it is when your cargo is discharging soon or you require a ship certificate for the bank's release of your funds.

In Response to the COVID-19 Situation

No additional fees

As a gesture of goodwill in these challenging times, no fees will be charged for this service if we are your nominated agent at either load port or discharge port.

Express service: 30 minutes delivery

Our central location in Geneva enables us to have Bills of Lading delivered to your bank in Geneva within just 30 mins of issuance on the same day, freeing up your credit days and minimizing interest rate fees

Interactive COVID-19 port restrictions map

Leveraging on Wilhelmsen's Ships Agency global network, we created a COVID-19 port restrictions map to provide you with time-critical information that could impact your business.
