

Product group: 402 Product number: 721977

The Unitor series of angle grinders is designed to cope with the daily tasks within the tough marine environment.

Product information

This product supersedes product no: 567214

Please note that you must only use Unitor original consumables due to the high rotational speeds of the units and the inherent danger of injury to the operator when using low quality consumables.

Safety

Before start using this tool make sure you have read and understood the user manual. Make sure you are wearing the correct personal protection equipment. We strongly recommend using hearing protection, eye protection (goggles) and gloves while using the tool.

Features

- Compatible with UNITOR abrasive consumables range for cutting, grinding, buffing, and polishing
- Safety lock pin on angle grinder to prevent accidental trigger, which may cause injury from self-spin cutting or grinding disc
- Adjustable and rotatable exhaust stack depending on working angle to prevent dust directed at operator
- Ergonomically designed and reliable for use in harsh maritime environment
- Spare part kits available for easy repair and to minimise downtime

Benefits

- Designed with operator's safety in mind
- Highly efficient for shipboard surface preparation and corrosion removal works
- Reliable for use in harsh maritime environment
- Spare part kits available for easy repair and maintenance

Specification

General

Invent Hazard Material (IMO/IU) classification	NA
--	----

Technical data

Air inlet connection [inch]	3/8" NPT
Air pressure [bar]	90 PSI / 6.2 BAR
RPM	7600
Sound power level (Lw) [dB]	101.4 (dB)
Vibration level [m/s²]	3.7

Safety

Before start using this tool make sure you have read and understood the user manual. Make sure you are wearing the correct personal protection equipment. We strongly recommend using hearing protection, eye protection (goggles) and gloves while using the tool.
