

NEEDLE SCALER NS-PRO 28

Product group: **400** Product number: **722025**

The Unitor NS-PRO needle scaler range helps you do the job right the first time, regardless of how big the task is.

Product information

This product supersedes product no: **177006**

The NS-PRO needle scalers operate without springs. This means no springs to break, no irregular power, and the advantage of low air consumption. The needles adjust automatically to operate efficiently on your work piece irrespective of the contours.

Features

- Heavy duty and highly efficient needle scaler for the most demanding applications on board
- The quality and efficiency of this tool has made the NS-PRO 28 popular in the marine industry
- This unit removes thick layers of rust and scale hour after hour
- Can be used with both 3 mm and 4 mm needles depending on application
