NEEDLE SCALER NS-PRO 28

Product group: **400** Product number: **722025**

The Unitor NS-PRO needle scaler range helps you do the job right the first time, regardless of how big the task is.

Product information

This product supersedes product no: **177006**

Heavy duty and highly efficient needle scaler for the most demanding applications on board.

****Safety**** Before start using this tool make sure you have read and understood the user manual. Make sure you are wearing the correct personal protection equipment. We strongly recommend using hearing protection, eye protection (goggles) and gloves while using the tool.

Features

- The quality and efficiency of this tool has made the NS-PRO 28 popular in the marine industry
- This unit removes thick layers of rust and scale hour after hour
- Can be used with 2mm, 3 mm or 4 mm needles depending on application
- Spares available i.e., General overhaul kit, Throttle valve overhaul kit and Needle overhaul kit

Benefits

- The NS-PRO needle scalers operate without springs. This means no springs to break, no irregular power, and the advantage of low air consumption
- The needles adjust automatically to operate efficiently on your work piece irrespective of the contours
- The spare kits simplify maintenance and reliable long term use
