

Product group: 401      Product number: 183418

Air hose lead for use between tool and air supply hose.

Product information

The flexible hose provides a secure connection and quick coupling and de-coupling from air tool thus increasing productivity for multi-air tool users and management of several air tools.

**\*\*Safety\*\*** Make sure you are wearing the correct personal protection equipment. We strongly recommend using hearing protection, eye protection (goggles) and gloves when using air tools.

Features

- 3/8" male in one end
- Plug fits 20, 30 and 40 series Unitor quick coupling
- Working pressure max 300 PSI / max 20 bar

Benefits

- High flexibility and reduces vibration wear on the operator.
