Weight [kg]	5.7

Technical data

Burst pressure [bar]	
Operating pressure [bar]	
Temperature [°C]	-30 to +100
Wall thickness [mm]	2.2

Heavy-duty hose with excellent performance. The grooves on the outside of the hose make it extra resistant to abrasion.

The rubber blend has added UV barrier to prevent damage to the rubber from UV radiation. The outer layer of the hose can tolerate most of the low aromatic oil products as well as commonly used chemicals.
