UNITOR HPC 67/1 3x440/60Hz

Product group: 430  Product number: 777889

The new Unitor™ HPC 67/1 is a heavy duty cold water high pressure washer that combine renowned lifetime and quality. Optimal ergonomics and mobility offer an innovative partner for applications onboard all vessel types.

Product information

This product supersedes product no: 652586

The Unitor™ HPC 67/1 is equipped with the 4 ceramic pistons pump, double roller bearings, flow activated unloader system and 1750 rpm motor for high intensity use with maximum performance and comfort. Capable of accepting 85°C inlet water, the Unitor™ HPC 67/1 can be used as an effective hot water cleaner. At 85°C degreasing can be performed without usage of chemicals. The new chemical system allows two different chemicals. If higher volume is needed the suction hose in the tank can be place in a larger canister.

The unit is equipped with additional motor protection for superb marine operational safety.

The Unitor™ HPC 67/1 gives you high cleaning efficiency combined with reduced downtime and increased lifetime. Unitor™ HPC 67/1 comes with a castor wheel with brake for high mobility and safety.

Supplied with

- Tornado lance
- Spray handle
- Quick coupling
- 10m HP hose
- Water inlet coupling

Features

- High mobility and ergonomic design
- 4 full ceramic piston pump -- ensures long unit life
- Up to 85°C inlet water
- Two tank chemical dosing

Benefits

- Effectively removes intense dirt
- Reduces cleaning time - cleans faster
- Reduces water consumption compared to conventional cleaning
- Designed for intense applications up to 8 hours continuous operation
