

HOSE, HP OUTLET

Product group: **436** Product number: **621904**

1-meter HP hose with 30 mm coupling nut for Unitor Stationary 3P, 4P, and 4P.

Product information

The connection HP hose for the outlet between the machine and the pipeline is designed for pressure, flow, and temperature. Crafted with durability and safety in mind, this hose ensures optimal performance under high-pressure conditions. Its robust construction guarantees longevity and resilience, making it a vital component for efficient system operations on board.

Specification

General

Invent Hazard Material (IMO/EU) classification	NA
