

Product group: 435 Product number: 729401

The Unitor™ HPC Stationary 1P™ is a one pump stationary cold water high pressure washers for medium to heavy cleaning.

Product information

This product supersedes product no: 778160

Single pump stationary cold water unit for medium and heavy cleaning applications in maritime use.

The Unitor Stationary 1P model is for heavy cleaning applications with 1 user at same time.

Features

- Stainless steel cabinet and robust frame -- ensure long lifespan
- Up to 70° C inlet water -- ideal for use with pre-heated water in order to obtain an increased cleaning effect
- 4 ceramic piston heavy duty pump for long working life

Benefits

- Stationary solution reduces time to prepare cleaning
- Small and compact -- easily fixed to the bulkhead or deck
- Long life pump for intense applications
- High level of serviceability
- Supplied with water break tank -- ensures trouble free water supply

Specification

General

Invent Hazard Material (IMO/IU) classification	D-1
--	-----

Dimensions/Weight

Dimensions	355 mm x 860 mm x 560 mm
Weight [kg]	93

Technical data

Amperage [A]	13
Electrical phase	3
Frequency [Hz]	60
Inlet water temperature [°C]	
Operating pressure [bar]	180
Power rating [kW]	8.3
Pressure [bar]	
Voltage [V]	
Water flow rate [l/min]
