

SORB.BOOM W/NET U94810 SN

Product group: **941** Product number: **603233**

Our range of absorbent booms give you highly flexible position to contain oil spills. All give you the ability to link them together into any length. Booms prevent spreading and stop contaminants getting into the sea so are a vital part of your oil spill kit.

Product information

Features

- Highly absorbent
- Absorption material contained
- Can be linked
- Easy disposal

Benefits

- Filled with 100% polypropylene contained in a net sock ensures you do not lose any spill when recovering
- The metal hooks at either end allow you to link them together for your required length
- You can incinerate them for easier disposal

Specification

General

Invent Hazard Material (IMO/EU) classification	NA
Quantity	4

Dimensions/Weight

Diameter [mm]	200
Length [m]	3
Weight [kg]	22

Performance data

Absorbing capacity	392 Litres
--------------------	------------
