

Product group: 941 Product number: 603233

Our range of absorbent booms give you highly flexible position to contain oil spills.

All give you the ability to link them together into any length.

Booms prevent spreading and stop contaminants getting into the sea so are a vital part of your oil spill kit.

Product information

This product supersedes product no: 603225

Features

- Highly absorbent
- Absorption material contained
- Can be linked
- Easy disposal

Benefits

- Filled with 100% polypropylene contained in a net sock ensures you do not lose any spill when recovering
