

SORBENT BOOMS U 94410 S

Product group: **941** Product number: **592766**

Our range of absorbent booms gives you highly flexible position to contain oil spills. All booms give you the ability to link them together into any length. Booms prevent spreading and stop contaminants from getting into the sea so are a vital part of your oil spill kit.

Product information

Features

- Highly absorbent
- Absorption material contained
- Can be linked
- Easy disposal

Benefits

- Filled with 100% polypropylene contained in a net sock, ensuring you do not lose any spill during recovery
- The metal hooks at either end allow you to link them together for your required length
- You can incinerate them for easier disposal

Specification
