

SORBENT BOOMS U 94410 S (4 PCS (SINGLE))

Product group: **941** Product number: **592766**

Our range of absorbent booms gives you highly flexible position to contain oil spills. All booms give you the ability to link them together into any length. Booms prevent spreading and stop contaminants from getting into the sea so are a vital part of your oil spill kit.

Product information

Features

- Highly absorbent
- Absorption material contained
