

UNICOOL R-449A 10KG REFRIGERANT

Product group: **594** Product number: **905744**

A new generation of HFO/HFC blend refrigerant which is non-flammable and harmless to the ozone layer. Excellent low GWP and highly energy efficient refrigerant for low and medium temperature applications. Suitable for both new installations and existing R-404A systems.

Product information

Features

- Non-flammable with a safety classification of A1
- Quality Guaranteed - purity and moisture content are guaranteed as per AHRI Standard 700.
- Global Availability - Products are available in WSS global network with the same specification and quality.
- No Performance Drop - it provides similar capacity to R-404A for low and medium temp. application with better energy efficiency.
- Suitable for new installation and retrofit.

Benefits

- Safety and Authenticity - Refrigerants delivered under the WSS Global Cylinder Ex-change program are fully traceable, safe, authentic, and thus eliminate the risks of receiving illegal or counterfeit refrigerants.
- Cost Effective- Reduce downtime and cost as the refrigerant is compatible with existing R-404A systems.
- Worldwide Compliance - This low GWP refrigerant solution enables ship owners to stay compliant with all international regulations.

Specification

General

GWP	1397
ODP	0

Dimensions/Weight

Connection [Size/ Type]	CGA660
Diameter [mm]	229
Gross Weight [kg]	19
Height [mm]	506
Weight [kg]	10 Net
