UNICOOL R-407H 10KG REFRIGERANT

Product group: **593** Product number: **905761**

A new generation of HFC blend refrigerant which is non-flammable (Class A1) and harmless to the ozone layer.

Excellent low GWP for low temperature applications and most suitable for new installations.

Product information

Features

- Non-flammable with a safety classification of A1
- Quality Guaranteed - purity and moisture content are guaranteed as per AHRI Standard 700.
- Global Availability - Products are available in WSS global network with the same specification and quality.
- Suitable for new installation.

Benefits

- Safety and Authenticity - Refrigerants delivered under the WSS Global Cylinder Ex-change program are fully traceable, safe, authentic, and thus eliminate the risks of receiving illegal or counterfeit refrigerants.
- Cost Effective- One of the lower cost R-404A alternatives available in the market.
- Worldwide Compliance - This low GWP refrigerant solution enables ship owners to stay compliant with all international regulations.

Specification

General

GWP	1495
Invent Hazard Material (IMO/EU) classification	C-25
ODP	0

Dimensions/Weight

Connection [Size/ Type]	CGA660
Diameter [mm]	229
Gross Weight [kg]	19 approx.
Height [mm]	506
Weight [kg]	10 Net
