

Product group: 642 Product number: 778856

The Uitor™ EASYCLEAN™ HAND SANITIZER is a ready to use Chlorhexidine lotion based alcohol-free hand sanitizer and moisturiser.

Product information

The Uitor™ EASYCLEAN™ HAND SANITIZER is a Chlorhexidine based lotion that creates a barrier on the skin with the added advantage of instant sanitizing and moisturizing. Chlorhexidine is a key ingredient in many pharmaceutical and surgical clinical products and offers excellent wound protection and disinfection. With the added ingredients (waxes, etc) in Uitor™ EASYCLEAN™ HAND SANITIZER, the Clorhexidine will stay on the skin for an extended period enabling the Chlorhexidine to work for up to 2 hours. Chlorhexidine has what is known as "long lasting broad spectrum activity" with a broader kill potential than alcohol and if you combine this with waxes and moisturizers you have a much more powerful solution to hand sanitizing and protection.

Features

- A Chlorhexidine based lotion
- Residual bug killing properties
- BS-EN Conformities

Benefits

- Chlorhexidine based for broad and safe bug killing properties
- Moistens skin unlike alcohol based sanitizers
- Easily absorbed into the skin - non-greasy
- Can be used in food preparation and healthcare applications
- Keeps killing bugs up to 2 hours after application
