# EASYCLEAN LAUNDRY POWDER (10 KG BAG)

Product group: 642      Product number: 778871

The Unitor™ EASYCLEAN™ LAUNDRY POWDER is a concentrated washing detergent. The powder is designed for clothes at wash programs from 30°C up to 90°C.

## Product information

Unitor™ EASYCLEAN™LAUNDRY POWDER is used for laundry machines. 50ml -70 ml (35gram-50gram) is commonly used for wash loads of 3 to 5 kg.

If the Unitor™ EASYCLEAN™LAUNDRY POWDER is used for manual hand cleaning, dissolve 35 ml of the powder in 10 liter of warm water. It is not recommended to use more powder than needed, as it might be difficult to rinse out all the detergent. This can again lead to rash or skin irritations.

### Features

- Effective from 30°C
- White powder with perfume added

### Benefits

- Leaves the clothes with a nice smell
- Can be used for both machine and hand wash

## Specification
