## EASYCLEAN OVEN AND GRILL(6 pcs per box)

Product group: **642** Product number: **778860**

Unitor™ EASYCLEAN OVEN & GRILL is a strong heavy duty alkaline cleaner for oven and grill cleaning in the galley area. The product is designed to penetrate and break down tough burnt-on carbon deposits.

### Product information

The heavy duty cleaning power of Unitor™ EASYCLEAN OVEN & GRILL secures fast and easy cleaning by loosening the bond between the deposits and the surface. The surfactant system used will further break down the deposits to be dispersed into the wash water for easy removal.

Regular use of Unitor™ EASYCLEAN OVEN & GRILL will remove the deposits that can lead to potential kitchen fires. If the deposits are not removed, they will also lead to excessive smoke and unwanted taste to the food.

#### Features

- Highly concentrated ready-to-use solution
- Highly effective on burnt-on carbon deposits
- Phosphate free

#### Benefits

- Easy to use, just spray on and leave to work
- The concentrated product improves efficiency and saves time on the cleaning process
- Regular carbon-deposit removal reduces the risk for excessive smoke generation, unwanted taste on food as well as reduces the risk for fires

### Specification

#### General

<b>Invent Hazard Material (IMO/EU) classification</b>	C-49
---	------

#### Physical properties

<b>Appearance</b>	Off-white
<b>Density [g/ml]</b>	1,20
<b>Form</b>	Liquid
<b>Odour</b>	Odourless
<b>Packaging</b>	6 x 0,6l spray bottle
<b>pH</b>	13-14

#### Technical data

<b>Not Compatible</b>	Metals like aluminium, zinc, tin and their alloys
-----------------------	---
