

Product group: **642** Product number: **778849**

The Unitor™ EASYCLEAN™ SOFT SURFACE & SPOT is a phosphate free cleaner for cleaning and deodorizing soft surfaces like carpets, furniture, upholstery etc.

## Product information

Unitor™ EASYCLEAN™ SOFT SURFACE & SPOT is based on specialized bacterial strains and biodegradable surfactants enabled to eliminate organic residue like blood, coffee, wine, beer, food, waste, vomit etc. and odour by three way action:

Chemical cleaning action by removing solids from surfaces.  
Immediate odour control by fragrance masking  
Deep cleaning from biological action for removal of residual organic matter

These properties make it ideal for removal of residual organic matter specially on carpets, sofas, chairs and upholstery.

### Features

- Biological active ingredients
- Phosphate free
- Ready to use
- Long term effect

### Benefits

- Through the biological active components in the product, organic components are broken down over time to water and carbon dioxide
- Since the organic components are broken down and removed, the long term effect will be reduced smell. Initial effect is that the product deodorize and masks the smell.

## Specification

### General
