TBN REPLACEMENT CELL

Product group: **663** Product number: **532430**

Accessory: Replacement cell for digital TBN Test Kit.

This is the NEW digital cell with chargeable battery and PC connectivity for results download.

Product information

Unitor™ DIGI TBN Cell provides a rapid indication of TBN depletion in lubricants, essential for proper maintenance. It provides a refreshed, but familiar, interface with the addition of smart features to enhance the user experience. You can easily set up sample points and transferred results to the computer. The unit is also chargeable and is capable of showing the number of tests available before charging is needed.

Test Parameter: TBN

Used with:

UNITOR TBN TEST KIT (673150)

Features

- USB-rechargeable battery with indication of tests remaining before charge

Benefits

- Fast, accurate and reliable oil test results within minutes
