

UNITOR EASYSHIP REAGENT PACK WATER

Product group: **663** Product number: **773156**

Replacement pack for the Water in Oil test kit

Product information

This product supersedes product no: **602805**

Our latest test kit technology with a reagent for Water in Oil testing that is no longer classified for transport.

This replacement pack is for:

* Water in Oil test kit product number 773155.

* Combined test kit product number 773154.

The EasyShip Reagent Pack Contain:

- 2x Reagent S (500 ml)
- 2x Packs of EasyShip Reagent (50 pcs in total)
- 3x 5 ml Syringe
- 1x Tweezers
- 1x Agitator

The new reagent is a paste instead of the old type powder and this means that the new kit will not have any transport restrictions. This new Water in Oil reagent can be air freighted and that is why it carries the name EASYSHIP.

Features

- Replacement pack includes 50 tests

Benefits

- Non hazardous, no transport restrictions
