

## LEGIONELLA TEST KIT...

Product group: **661**      Product number: **777722**

The Nalfleet Legionella Test Kit is a quick and effective kit to deliver results for the presence of Legionella bacteria in minutes instead of days. The test kit is a compact kit delivered in a case with easy and clear instructions.

### Product information

The Nalfleet Legionella Test Kit uses an immunochromatographic assay to detect the presence of cell surface antigens from Legionella bacteria in a sample. The presence of antigen causes the Test Line to turn red.

The Legionella test kit contains all the items required to perform 5 tests:

5 individual foil wrapped test strips, 5 hollow fibre filters, 5 syringes with recovery buffer, 1 filtrate collection bottle, 1 pipework sample adapter with 1/2" and 3/4" female threaded connectors.
