

Product group: **422** Product number: **718700**

The Unitor 1:1 chemical pump is ideal for use when applying cleaning chemicals before washing with high pressure or the Unitor Cleaning Jet.

## Product information

This product supersedes product no: **637306**

This unit has been developed as an easy to use and economical alternative to the 10:1 Hydra Clean and is supplied ready to use with a hose, gun and drum fittings. The unit is designed to be mounted in a 200 L/55Gal drum. With the correct accessories this unit can apply chemicals vertically up to 10 m.

10 meter hose with long reach lance is included with the pump.

### Features

- Fits in any standard 200 L drum
- Supplied ready to use
- Pre-lubricated air motor, has no need for an air lubricator

### Benefits

- Very low noise emission enables use onboard cruise or passenger vessels
