REMOTE CONTROL F/UWI-320/500 & UWW-301

Product group: 191 Product number: 670414

For regulating welding current from a distance

Product information

Remote control with 8m cable for UWI-320TP, UWI-400 and UWI-500TP

Features

- Fits easily to electrode holder for TIG torch or wire torch
- Regulating wheel for adjustment of current

Benefits

- Saves time when regulating amperage
- Better control of weld quality when you are able to regulate amperage during welding

Specification

General

Invent Hazard Material (IMO/EU) classification	NA
