

Product group: 195      Product number: 175729

Drum for storing of gas hoses or welding cables.

Product information

The handling of gas hoses and welding cables cluttering the workshop floor is awkward and a waste of time. The cable drum with crank allows you easy management of long hoses or welding cables that will save time, makes the job easier and contributes to increased efficiency.

A workshop floor free from hoses or cables reduces tripping accidents, improves access for carts and trolleys and allows for easier cleaning.

Features

- The drum is supplied with brackets for bulkhead mounting
- It has a folding crank which locks the drum from uncoyling the cable when the crank is folded inwards
- Capacity up to approximately 100m x 70mm<sup>2</sup> welding cable

Benefits

- Saves time with efficient management of long hoses and cables
- Less wear and tear on hoses and cables
- Avoid tripping accidents and improve safety

Specification

General		Dimensions/Weight	
Invent Hazard Material (IMO/EU) classification	NA	Weight [kg]	10.5
