

QUICK COUPLING OX HOSE TO HOSE 9MM

Product group: **176** Product number: **320209**

Safe quick coupling for Oxygen gas connection. The coupling has blue color code to prevent it from being mixed up with other gases.

Product information

Benefits

- Prevents the hoses to become disconnected.
- Comes in a kit containing both male and female connector.
- No uncontrolled escape of gas. Automatic shut off valve in female part.
- Kink free hoses, the male and female connector will work as a swivel and avoid the hoses become twisted.

Specification

General

Invent Hazard Material (IMO/EU) classification	NA
--	----

Technical data

This is a two step quick coupling meaning you have to use both hands and two steps to connect and disconnect it. First you have to twist the ring before you can pull back the sleeve to plug / unplug the male connector. These two step coupling prevent the hoses from coming accidentally apart when pulled over edges and other obstacles.
