

Product group: 176 Product number: 734013

Quick coupling for Acetylene hose to hose.

Product information

This product supersedes product no: 320207

Quick coupling for Acetylene hose to hose for hose size 3/8" or 9mm.

Features

- Lightning fast connection and disconnection of equipment
- Simplest selection of the right body and probe
- Easy identification with colour coding on probe (Red for Ac/Blue for Ox)

Benefits

- No uncontrolled escape of gas when disconnected because of automatic cut off valve
- No build-up of explosive gas-mixture in the pipe line because of non return valve
- Kink free hose and secure connection because of ball race lock
- Durable as probe made from stainless with hardness of 25 Rockwell
- Dirt filter protects hose coupling and equipment

Specification

General

Invent Hazard Material (IMO/EU) classification	NA
--	----

Approvals
