

Product group: 176      Product number: 734028

Quick coupling Oxygen male/female.

Product information

Quick coupling Oxygen male/female for twin hose with fittings size 1/4" (6.3mm) or 3/8" (9mm).

Features

- Lightning fast connection and disconnection of equipment
- Simplest selection of the right body and probe
- Easy identification with colour coding on probe (Red for Ac/Blue for Ox)

Benefits

- No uncontrolled escape of gas when disconnected because of automatic cut off valve
- No build-up of explosive gas-mixture in the pipe line because of non return valve
- Kink free hose and secure connection because of ball race lock
- Durable as probe made from stainless with hardness of 25 Rockwell
- Dirt filter protects hose coupling and equipment

Specification

General

|                                                |    |
|------------------------------------------------|----|
| Invent Hazard Material (IMO/EU) classification | NA |
|------------------------------------------------|----|

Approvals

EN 561 / ISO 7289 / BAMZBF/009/012
