

GAS IGNITOR TRIPL. 2 PCS

Product group: **176** Product number: **633198**

The triplex gas ignitor is made with the simple popular and most reliable design. Easy to use, with large sparks that effectively ignite the gas flame.

Product information

This product supersedes product no: **175364**

Three flints are mounted in the head: one connected for operation, 2 more as spares by rotating the flint holder head.
