

WELD.GOGGLES W/LIFT-FRONT

Product group: **176** Product number: **175273**

Lightweight goggles with soft and comfortable surfaces against the face.

Product information

The ventilation slots are designed to prevent entry of sparks and spatter, at the same time ensuring sufficient air circulation to prevent dampness and fogging of the glasses.

The filter shade glass is mounted in a flip-up front frame.

A protection glass is placed in front of the filter shade glass in order to protect against spatter.

A protection glass is fitted in the fixed frame for protection when grinding and using the chipping hammer.

Features

- Comply to: EN 1598: 2002-04

Benefits

- The headband is adjustable and elastic for comfortable use
- The lenses are clear, anti-mist acetate
- The design provides ample ventilation
