

TIN 241 AG 1.5 MM 0.5 KG SOLDER

Product group: **093** Product number: **777973**

Flux cored lead free silver alloyed soft solder wire on spool.

Product information

This product supersedes product no: **305342**

Soft solder on spool. The lead free tin incorporates five ducts filled with high quality flux. This tin is silver alloyed for high quality result. Additional flux not needed. Use soldering iron or soft flame with acetylene surplus.

Features

- Lead free
- Flux cored wire
- Low melting point

Benefits

- Non poisonous
- No need for additional flux
- Less heat needs to be applied, thereby avoiding overheating surrounding components

Specification

General

Invent Hazard Material (IMO/EU) classification	NA
--	----

Technical data

For tinning and joining of electric conductors, electrical connections, electrical instruments, radios, batteries, refrigeration plants, etc.
