

GASWELDING CABINET EMPTY

Product group: **094** Product number: **589846**

Empty storage cabinet for gas welding rods, brazing rods, fluxes and gas welding equipment.

Product information

New compact design with improved access to contents, and ample room for additional spares and accessories. Sturdy, corrosion resistant construction from electro-galvanized steel plates, with final coating by powder spraying and baking. Shelves are zinc/yellow-chromate passivated for optimal corrosion and scratch resistance, with hardplast protection surface for nozzles and blowpipes. The door construction provides a stable work surface for torch assembly when open, and allows for mounting the cabinet in corners or narrow openings.

Features

- Sturdy and corrosion resistant
- Large storing capacity

Benefits

- Easy overview and access to content
- Long lasting with no maintenance
- Opportunity to customise content to vessel requirements

Specification

General

Invent Hazard Material (IMO/EU) classification	NA
