# PORTABLE WELD. TABLE

Product group: 176 Product number: 176024

Table for safe hot work i.e. welding or AC-OX / plasma cutting work onboard at Engine Room workshop or at deck. Easy to assemble, space saving, ergonomics and highly recommended for regular welding and cutting activities.

#### **Product information**

This sturdy worktable is made of steel and fully galvanized for corrosion protection. It includes a holding clamp for small workpieces. To ensure a stable work surface all four legs are adjustable in length. The legs have pointed ends to ensure high friction and a good hull contact when used for arc welding.

#### Features

- Legs can be detached and fastened under table
- Adjustable legs length
- Sturdy design made of steel fully galvanised
- Holding clamp

#### **Benefits**

- · Easily transported and stored
- Stable work surface
- Long lasting high quality
- Able to weld on small work pieces
