

NAVADAN PANAMAX KIT

Product group: **022** Product number: **2009025**

The Navadan Panamax Kit is designed for efficient chemical application, rinse off and wash down of the entire cargo holds on board.

Product information

This product supersedes product no: **778855, 749770**

The Navadan™ Panamax™ Cargo Hold Cleaning kit is ideal for use on board all bulk carriers equipped with a working air compressor that delivers minimum 2 m³/min. The equipment is also suitable for cleaning of superstructure or offshore rigs. The equipment has depending on the air on board, a reach of up to 18m using the foam nozzle which enables the crew to work from the tank top without the use of cranes or scaffolding even on a Panamax size vessel. By using the guide wire kit (included) this reach may be further extended for use on board cape size vessels.
