

# PH/ EC/ TDS/ SALINITY MULTI PEN TESTER

Product group: **661**      Product number: **568692**

The Multi Pen Tester is a vital tool for maritime professionals, offering precise pH, conductivity, TDS, and salinity measurements.

Built for harsh marine environments, its rugged, waterproof design ensures durability.

With a user-friendly interface and automatic calibration, the Multi Pen Tester simplifies water quality testing for technical water operations, ballast water monitoring, and potable water management in a compact, reliable device.

## Product information

Compact, easy-to-use, hand-held instruments for the accurate measurement of pH, conductivity, TDS, and salinity measurements.

Test Paramter: pH Measuring Range: 0 - 14 pH

Test Paramter: Conductivity Measuring Range: 0.01 to 20.00 mS/cm

Test Paramter: TDS Measuring Range: 0.01 to 20.00 ppt

Test Parameter: Salinity Measuring Range: 0.01 to 10.00 g/L

Used with:

SPECTRAPAK 309 (739466)

SPECTRAPAK 310 (739474)

SPECTRAPAK 315 (739490)

Mbtorship Test Kit MO246A (777066)

## Features

- Compact & Robust
- Portable Hand-Held Meter
- Scroll-Through Functionality
- Storage Function

## Benefits

- Convenient and onboard testing
- Ease of use with simultaneous display of result, temperature, date/time and other measurement details
- Easy recalling of data for record keeping requirements
